A FEW REMINDERS:

Competition procedures

Parents please be mindful not to communicate with your child or coach on the competition Floor. Not only are you putting your child at risk of being disqualified but at team events the entire team. This is not competition etiquette so please wait until the competition is complete before communicating with your coach/child.

QLD school holidays

A reminder that there is no training week 2 of the QLD school holidays for all comp teams. Training will resume for Term 3, 2010 on Monday 12th July.

Kind Regards,
